

BreastScreen
Aotearoa

He aha te mea nui o te ao? He
tangata! He tangata! He tangata!

Are you following your own advice?
When was your last Breast Screen?

You care for the Hauora of your whānau and community every day. Looking after your own health helps ensure you're there for the people who need you most.

Life is busy, make time for your own health.

Breast screening is easy and saves lives.
