There are occasionally updates to these class times and dates, it might be useful to call ahead to check a class is on.

● **Level 1** – Limited Mobility. You may use a walking aid, seated options, beginner-friendly

●● **Level 2** – Moderate Mobility. You are reasonably active (e.g. gardening/walking), seated options and beginners welcome with more balance challenges. You can walk without walking aids.

●●● **Level 3** – Good Mobility. You have good strength and balance. Classes may include floor-based exercises, be more active and challenge your balance.

NOTE: Mobility levels are a **guide only** to help match the class to your ability. Further information on website or class contact person.

● **Level 1**
Steady As You Go

Gentle physiotherapy-based strength-and-balance exercises, seated to walking, beginner friendly and typically at accessible venues to support those with mobility aids. Led by **trained peer leaders**.

● **Level 1** & ●● **Level 2**
Align To Go

Faster-paced than Steady As You Go, dance-style strength-and-balance drills (seated + standing) for falls prevention, led by **trained peer leaders**.

●● **Level 2**
Tai Chi

Simplified Tai Chi for falls prevention, emphasis on weight transfer, fosters coordination and memory through a set sequence of movements. Comfortable standing for an hour with balance in the middle of the room is beneficial, taught by **peer leaders certified through Tai Chi for Health Institute**.
