Find the Right Class for You. All information is current as of **Apr 2026**. There are occasional updates to class times and days, it might be useful to call ahead to check a class is on.

● **Level 1** – Limited Mobility. You may use a walking aid, seated options, beginner-friendly

●● **Level 2** – Moderate Mobility. You are reasonably active (e.g. gardening/walking), seated options and beginners welcome with more balance challenges. You can walk without walking aids.

●●● **Level 3** – Good Mobility. You have good strength and balance. Classes may include floor-based exercises, be more active and challenge your balance.

NOTE: The mobility levels are a guide only to help match the class to your ability. The class contact person can answer any further questions.

● **Level 1**

Steady As You Go®

Gentle physiotherapy-based strength-and-balance exercises, seated to walking, beginner friendly and typically at accessible venues to support those with mobility aids. Led by **trained peer leaders**.

●●● **Level 3**

Tai Chi

Simplified Tai Chi for falls prevention, emphasis on weight transfer, fosters coordination and memory through a set sequence of movements. Comfortable standing for an hour with balance in the middle of the room is beneficial, taught by **peer leaders certified through Tai Chi for Health Institute**.
