## Not my Patient

### Option 1

- The first column is **not my patient** which sends a message direct to [Systems.Support@southernhb.govt.nz](mailto:Systems.Support@southernhb.govt.nz)

- Clicking on icon opens a prepopulated email: *This requires an email client installed e.g. Outlook, Thunderbird, Mail*
- Please don't send identifying patient data via email. Include the GP that received the incorrect patient, practice, date and a contact number if follow up is required
