

Rapid antigen tests (RATs)

RAT test are the primary method of testing for Covid. If you have COVID symptoms, or are a household contact of a COVID positive case, you can order rapid antigen testing (RATs) through the Ministry of Health's [RAT requester website](#) or by ringing 0800 222 478 (option 3).

You will get an order number and can collect tests for you and your household at dozens of sites across the region. Collection sites are available on [HealthPoint](#).
