

# Special Ukraine Policy Visa Holders

A programme by **WellSouth**

Last Updated: 29/01/2024

## Intended Purpose

From 17 October 2022, persons from Ukraine holding a 2022 Special Ukraine Visa are eligible for a one-off initial 45-minute health assessment fully funded by Te Whatu Ora – Health New Zealand. Uptake of the funded health assessment is voluntary. Those who wish to access this service do not need to provide proof that they are 2022 Special Ukraine Visa holders. They only need to tell the doctor that they have arrived in New Zealand under the 2022 Special Ukraine Policy Visa.

## Eligibility

The funded health assessment is limited to the following:

- Tuberculosis (TB) assessment and screening
- Assessment of eligibility for and provision of vaccination as per the National Immunisation Schedule
- Supporting enrolment in general practice for continuity of healthcare.

## Key Information

- Funded interpreting services are available for patients seeking the health assessment. See [HealthPathways](#).
- Normal primary care fees apply to ongoing health care but 2022 Special Ukraine Visa holders are eligible for access to publicly funded health and disability services at the same level as New Zealand residents and citizens.

## Claiming

Claiming is via the WellSouth PHN portal.
