## Gout Update

(for Nurses, HIPS, Health Coaches, GP's etc)

9<sup>th</sup> March  
Dunedin | Aotearoa has the highest rate of gout in the world, per capita. Find out why, and get the latest guidelines on how this painful condition can be successfully managed.

Please register via this link: <https://training.wellsouth.nz/events/673-gout-update/>

## HealthPathways Webinar Series

HealthPathways offers clinicians locally agreed information to make the right decisions, together with patients, at the point of care. WellSouth and Te Whatu Ora Southern are happy to be bringing a regular webinar update on HealthPathways throughout 2023. Please register via the link below for the individual sessions. These sessions will also be recorded and made available on our website.

26 <sup>th</sup> April	Topic TBC
20 <sup>th</sup> June	Alice Febery on Breast disease and local pathways
22 <sup>nd</sup> August	Topic TBC
24 <sup>th</sup> October	Topic TBC

## CPR Updates / Drop In Sessions

In 2023 we are changing how we offer CPR/Immediate Life Support training and certification at WellSouth.

Prior to attending an in person physical skills assessment we will be requiring people complete the appropriate online training and assessment on [Health Learn via this link](#). If you do not have Health Learn access or are having trouble, please email [HealthLearn@wellsouth.org.nz](mailto:HealthLearn@wellsouth.org.nz) and we will be able to help get you set up, or help you access your existing account.

Once you have completed your online assessment, you will need to bring proof of completion with you to an in person session / skills assessment. It is in the in person session where you will demonstrate on the CPR mannequin and receive your final assessment. Dates and locations for these can be found [here via our workforce calendar](#). Registration will be required.

Its important to note that you will need to complete both the online and in person component for a valid CPR certification.

Please enquire via [workforce@wellsouth.org.nz](mailto:workforce@wellsouth.org.nz) if you are wanting a team assessment at your practice as we may be able to offer this. This course continues to be for Primary Care general practice employees, WellSouth employees and others with prior approval.

**Please note – more Invercargill dates to come-** Please check the registration link below for additional dates.
